NOTIFICATION OF CONFLICT OF INTEREST BY DELOITTE

Be it stated now on public record that Deloitte, the group who sent the Court the attached

bill, served as the advisers for XP Vehicles, The investment advisers for Tesla Motors who is now under criminal investigation for financial fraud and FEC malfeasance and the consultant to the U.S. Department of Energy and Steven Chu to direct the distribution of State and Federal funds to EITHER XP or Tesla, who have been sued by XP Vehicles for criminal corruption. At all times, Deloitte has had a beneficiary relationship with Tesla/Gawker and the "Cartel" now under criminal investigation. The Court records and the records of all future matters should document and reflect this conflict of interest as pointed out by members of the United States Congress. Deloitte has a known intent and financial incentive to harm and/or make negative determinations against XP.
